Report of Digital India Workshop

One day workshop on "Digital Applications- e-governance, m-governance, cyber crime and computer security" has been conducted on the 6th July 2015 at Thoubal College, Thoubal, in the Department of Computer Science.

The Inaugural function of the workshop started at 11.00 a.m. in the Computer Science Laboratory of the college and respected Principal, O.Chaoba Devi, respected Prof.Dr.Kh.Jugindro Singh were in the dais in the seats of Chief Guest and President respectively. Dr.Ak.Ashakumar Singh, HOD of Computer Science Department gave welcome and key note address of the celebrating the workshop. He gave a detailed report about the significance of the observation of Digital Week, explaining the e-governance, digital service, cyber crime etc. Then the inaugural function concludes with speech of VIPs and vote of thanks.

In the technical session Henerita Khumallambam, Asst.Professor, Department of Computer Science, Thoubal College, presented a paper with slide show, how to use digital items in all activities of today's life style.

Then Dr.Ak.Ashakumar Singh demonstrates the students and teachers how to create e-mail and demonstrates downloading e-journals from INFLIBNET.

The hand-on practice for downloading shall be continued for two days more due to the shortage number of computer system and the permission for continuing this practice for more 2(two) days had been sought from the Principal. Photographs are attached herewith.
