

Quality Education:

Thoubal College, Thoubal established on 8th August, 1963 as night shift , opening only the Pre-University(1 Year course with ten subjects in Art Stream. The motto of the college is **Learning Today For A Better Tomorrow**. Being a co-education college, the college takes all possible efforts to integrate cross-cutting issues into the Curriculum. The college makes it a point to cultivate awareness and sensitize the students to these issues through various forums. The college also believes that integrating cross cutting issues with the curriculum would create positive effect on the students both in terms of their education and in terms of societal commitment.

Each teacher designs a lesson plan on his/her own for the units, which are time bound and systematic. The teachers use different methods such as lecture, discussion, home assignment to make the curriculum soak into the students. Relevant texts and references are facilitated to the teachers and students through college library, departmental libraries, e-resources. Conventional mode of lecture using smart board, white board, marker, maps, diagrams, charts and demonstrations are used for classroom teaching besides adherence to electronic gadgets to simplify explanations through audio-visual aids i.e., ICT enabled lectures are ensured. Devices like digital projector, internet and e-library facility etc support the process. Subjects having practical component to the teaching-learning process, use well-equipped laboratories to conduct experiments.

The academic calendar of the college is prepared well in advance of next academic session and displayed on notice board and also uploaded on college website for reference of the students, parents and staffs. It carries approximate schedules regarding admission process, teaching & learning process, examination, evaluation, co-curricular activities of cultural department, sports Department, prize distribution function, extra-curricular activities of N.S.S., N.C.C. and college events to be organized and dates of holidays.

The college follows its academic calendar for conducting mid-term examinations. In a true sense, Continuous Internal Evaluation (CIE) of the students is made by conducting unit test, tutorials, home assignments, open book exam are included in the academic calendar and they are implemented at the end of the semester. Some of the activities are intentionally organized for students to assess and upgrade their subject knowledge such as the group discussion, students seminar presentation on relevant topics as a part of CIE.

There is regular presentation of seminars by students in the college. In this connection, the various departments of the college hold seminars and workshop on a regular basis every session. Students of the college are also made to present papers related to their

subject. Syllabus based debates, quiz, and group discussions are conducted regularly. Interactive Sessions, Group study, Group discussions etc, are conducted to encourage learning. Adequate support is provided for the average and below average students to scale academic heights.

In each academic session, participative learning, problem solving methodologies and enhancing learning experiences of the students are also developed through their active participation in extra-curricular activities conducted by the college. Excursions of students according to the requirements of the students of each department are carried out to enhance the experimental, participative and life skills of the students, besides updating the knowledge base of the students. Various competitions like literary and cultural competitions etc were organized, social awareness programmes, and community services have been planned and executed.

Special classes are conducted for slow learners. Meritorious students, minorities and economically backward students are encouraged with cash awards and scholarships. Regular and periodic counselling, remedial classes, tutorial, mentoring, career guidance etc are provided. National seminars, invited talks, programmes are provided for the students to excel in their academics. **Add on and Certificate courses** are conducted for the students to enable them to acquire additional knowledge and skills in different spheres of study. College library is partially automated and well equipped with a collection of textbooks, reference books journals, newspaper etc. INFLIBNET facility with large number of e-journals and e-books is open for students and teachers.

Thoubal College has regular sport training is given to students and to students from other educational institutions. The institution provides its students facilities such as football volley ball courts, swimming pool, indoor stadium, a sufficient equipments of fitness center with an intention to maintain the physical and maintain fitness of the young generation. There are numerous health advantages to physical fitness to continue a regular exercise and physical activity promotes strong muscles and bones. It improves respiratory, cardiovascular health, and overall health. Staying active can also help you maintain a healthy weight, reduce your risk for type 2 diabetes, heart disease, and reduce your risk for some cancers.

Programmes such as NSS & NCC provide the student's opportunities to be trained as organized disciplines, moral, character, personality development etc.

The alumni team regularly visit the college and there is made use of to enlighten the students regarding career prospects. The alumni also contribute feedback.
